

MyNetball Manager App

- Secure access for coaches, managers & officials.
- Automatically see just your own games.
- Fully online with Sporty TeamBuilder, making it easy to view all players and set your team list on game day.
- It remembers last week's team automatically, making it quick to update each week.
- Allocate positions to your players if you wish (optional).
- Start the game and watch the clock count down each quarter.
- Organise substitutions and activate them with just one click.
- Score the game live, recording GS/GA goals and misses.
- See the game timeline build the score throughout each quarter.
- Tap anything in the timeline to easily change or delete it.
- The app shows odds & evens and knows who has the next Centre pass.
- Share the excitement with live scores updating back to your website.
- Easily generate reports to see how often someone has played up, or how much game time they have had.
- Final results go automatically back to SKED™ and update your standings.
- Your Centre can overwrite results if you wish.
- Easily send Push Notification Alerts announcing game changes or cancellations.

An introduction to MyNetball

We live this game.

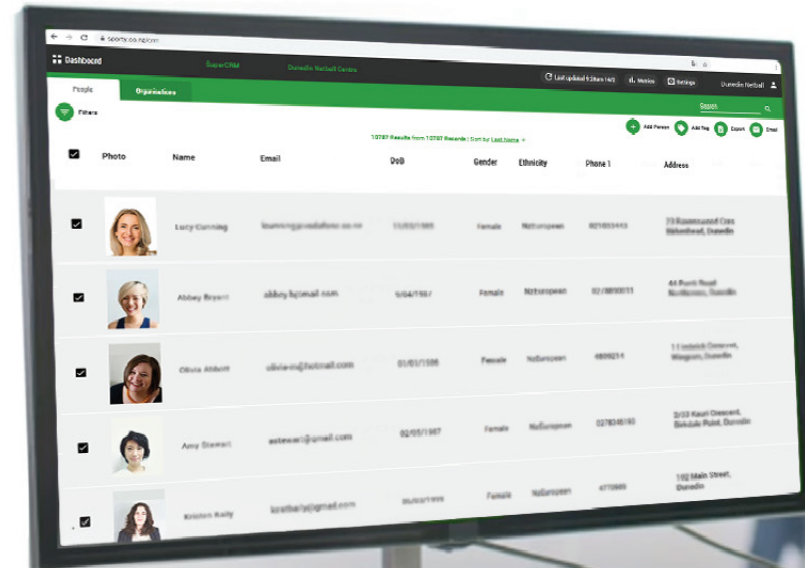

What is MyNetball?

Netball New Zealand has partnered with Sporty.co.nz to deliver MyNetball - online tools to help Centres, Clubs and Schools deliver Netball in a simple, effective and affordable way.

We understand that every Centre, Club and School has different requirements. Sporty has a range of solutions that can be configured to your needs, including:

- Official NNZ online registration system (**SuperForms**).
- Web form builder and local databases for Centre management
- Member management system (**SuperCRM**).
- Competition management system for Centre draws, results and standings (**SKED**).
- **MyNetball Manager** Game Day Scoring App
- **TeamBuilder** utility for Clubs and Schools to easily drag & drop players into teams.
- **Online payments** via credit card or automated internet banking.
- Easy communication module including group email and **eNewsletter** facility.

Save Time. Save Paper. Grow members.
